Caretaker Federal Minister for Maritime Affairs Visits Karachi Port Trust

A comprehensive briefing given by KPT Chairman, observed SAPTL container handling activities

The caretaker Federal Minister of Maritime Affairs, Shahid Ashraf Tarar, paid a visit to the Karachi Port Trust (KPT) headquarter on 31st August. The honourable guest was received by Chairman KPT, Syed Syedain Raza Zaidi and other officials. Later on Chairman KPT, along with respective General Managers, provided a comprehensive brief to the minister, covering various facets of the port, including its infrastructure, operational procedures, and on-going development initiatives.

Subsequently, the minister had the opportunity to personally observe the container handling operations conducted by South Asia Pakistan Terminal Limited (SAPTL). This insightful experience served as a fitting conclusion to his visit affording him a first-hand understanding of the port's day-to-day activities and its role in facilitating trade and commerce activities.

76th Independence Day Observance at KPT Head Office

"Chairman KPT, Syed Syedain Raza Zaidi, hoisting the National Flag in observance of 76th Independence day"

"Special prayers were offered for the prosperity and well-being of Pakistan."

The 76th Independence Day was celebrated at the KPT head office, with Chairman KPT Syed Syedain Raza Zaidi hoisting the national flag in observance of this occasion. Joining him, in this symbolic gesture were the General Managers, Head of Departments, and others distinguished officials, all gathered for this brief yet significant ceremony.

Subsequently, the ceremony culminated with cutting of a celebratory cake, a symbolic gesture of unity. Following this, special prayers were offered, both for the well-being and prosperity of the nation and for the continued success and progress of the Karachi Port Trust.

KPT Sponsors Hindu Employees to pay homage to their sacred places in Nepal

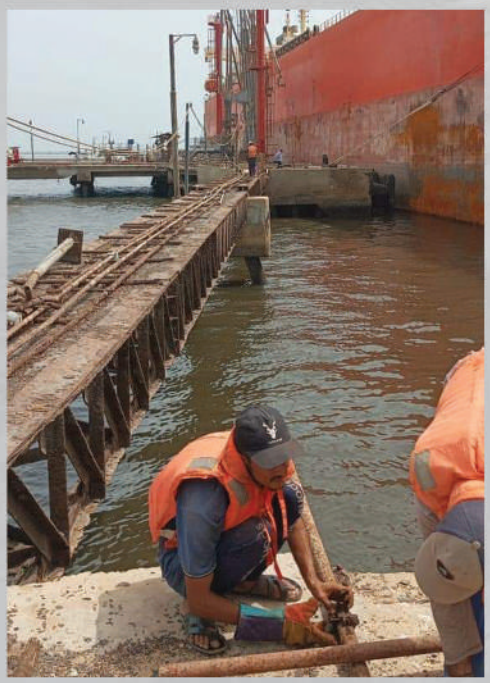

KPT upholds the principle of equal treatment for all his employees, regardless of their religious affiliation. Following the provision of Hajj and Umrah packages for Muslim employees, KPT has extended financial support to selected individuals from minority communities to facilitate their participation in religious activities.

Recently, Hindu Employees were chosen to receive financial assistance to undertake their religious obligations in Nepal.

In this context, KPT organised a see-off ceremony on the 18th of July 2023, to pay homage to Hindu employee leaving for spiritual journey.

Restoration of Oil-Pier-I

with enhanced operational efficiency in sight

The restoration work on Oil Pier-I, has started. The Oil Pier-I is a vital and invaluable asset for the KPT, which was in a state of disorder for a quite sometime. This restoration project, initiated on September 7th, 2023, is expected to conclude within a four-month timeframe with enhanced operational efficiency in sight. The commencement of this restoration and renovation project aiming at higher operational efficiency is an expression of KPT management's commitment with the development of institution.

KPT Partners with SSWMB for Sea Garbage Disposal

"KPT commitment to environmental stewardship"

In line with ongoing commitment to environmental conservation, the Karachi Port Trust consistently undertakes the collection of debris from the harbour's seawater. However, during the monsoon season, there has been a fourfold increase in the accumulation of floating debris. Responding to this exceptional situation, KPT's Marine Pollution Control Department (MPCD), in partnership with the Sindh Solid Waste Management Board (SSWMB), has initiated a joint operation to environmentally dispose of this accumulated debris at a designated landfill site. KPT expresses its gratitude for the invaluable support and collaboration of SSWMB, which will ensure effective management of the harbour's waste during monsoon season and beyond.

Outstanding Dredging Performance of **BD AFTAB**

KPT's Bucket Dredger AFTAB has been performing successfully since her commissioning in year 1994. The dredger effective in Sector I, IV and V dredging for the last 29 years has maintained sanctioned and designed depths of berths located in East Wharf, West Wharf, PIDC Channel and Oil Piers.

Following are the specifications of this craft:

Name	:	Diesel Electric Bucket Dredger Aftab
Country of Origin	:	Germany
Built	:	1994
Bucket Capacity	:	850 liters
Dredging/hr	:	700 m^3
Length	:	52 meters
Breadth	:	13.24 meters
Depth	:	4.5 meters
Draught	:	2.6 meters

BD Aftab became operational on July 28th, 2022 after successful completion of Major Refit by M/S KS&EW. Since then, BD Aftab has retrieved a total of 450,480 m^3 dredged material siltation while using 762 barges during the dredging operation.

Courtesy to the outstanding performance of BD Aftab, berths 6 – 17 are made readily available to vessels of 13.5 meters depth. BD Aftab has achieved a milestone of dredging Oil Pier - I to a depth of 14m in a relatively short time frame.

Over the course of 10 months, BD Aftab has maintained operational readiness due to dedication and commitment of the Ship's Staff and Officers. The ancillary craft DT Mazdoor has performed a cruicial role in anchorage and towing operation to facilitate the dredging of BD Aftab. Moreover, the Hopper Barges which are essential part of dredging has also contributed equally.

KPT Transformative Mission of Re-carpeting New Boat Basin Jetty & Keamari Groyne Yard Container Complex (KGCC)

BEFORE

AFTER

The KPT has prioritized convenience and the betterment of surrounding communities through the restoration and repairs of roads. Additionally, the re-carpeting of a carriageway between the 'New Boat Basin Jetty' and KGCC turning has also been accomplished.

South Asia Pakistan Terminals Limited (SAPTL) has expressed its appreciation for the efficient rehabilitation of the road between the turnings, which was executed by KPT engineers with minimal disruption to traffic.

Furthermore, work on the roundabout, including Khamis Gate (East Wharf), is scheduled for rehabilitation shortly, involving the use of paver blocks. The rehabilitation of a 43,000 square foot apron area for cargo stacking at Berth No. 21 (West Wharf) has commenced.

Moreover, KPT has extended its support to the residents of Lalazar through road rehabilitation and patchwork, enhancing the overall aesthetics of the Lalazar area.
