Freight train service launched to link Karachi Port with rest of Pakistan

In accordance with the vision of the then Prime Minister Imran Khan regarding uplifting business activities in Pakistan, a Freight Train Service has been inaugurated for the transportation of containers from Karachi Port Trust to up Country destinations. In this connection, a ceremony was held at South Asia Pakistan Terminal on 24th January 2022 where Governor Sindh inaugurated the Freight Train Service and appreciated the joint venture initiative of KPT and Pakistan Railway for the business community.

The South Asia Pakistan Terminal is expected to handle 3.1 million containers/annum, this huge potential of cargo can be tapped to generate Rs 6 billion per annum in revenue for Pakistan Railways. This rail connectivity will not only expand the port hinterland but also drastically curtail the container traffic on road infrastructures of cities, ultimately reducing traffic congestions.

State of the Art (Neuro) Grain Unloader Inducted

To meet the international standards, KPT has started Soyabean discharge through newly inducted state of the art (Neuro) Grain Unloader at East Wharf. By using this modern technology KPT saved its time and cost of doing business significantly and spur healthy competition.

KPT Successfully resolved Outstanding Container Storage Charges issue with Terminal Operators

Karachi International Container Terminal (KICT) and Pakistan International Container Terminals (PICT) resolved a decade old matter of outstanding dues pertaining to container storage charges on 11th March 2022. In this connection, Mr. CS KIM Chief Executive Officer and Mr. Naveed Qureshi, Chief Finance Officer of KICT visited KPT Head Office. Earlier, on similar issue, Mr Khurram Khan, Chief Executive Officer of PICT and his team also visited KPT Head Office for the settlement of outstanding dues matter pertaining to temporary container storage charges on 9th March 2022.

PICT received RORO Vessel Jolly QUARZOJ after 20 years

KPT container terminal PICT received a maiden call of RORO vessel JOLLY QUARZOj on 2nd February 2022. The arrival at Karachi Port after around 20 years is a landmark achievement and advantageous to exporters besides taking maritime activities in Pakistan to the next level.

KPT Step ahead towards Digitalization

The first ever online payment by Karachi Port Trust in collaboration with Standard Chartered Bank has successfully been done from 24th January 2022. Online payments will ensure swift and timely payments to all KPT vendors and increase efficiency in payment processing.

In yet another first for KPT, started in January-22, all royalty income receivable by KPT has become digital. Online digital receipts of royalty payments will provide KPT with additional interest income annually. KPT is going into digitalization mode in a segmented manner.

KPT Welcomes IBA Students at KPT Head Office

The IBA Career Development Centre (CDC) organized a study tour to Karachi Port Trust for IBA students. The main objective of this excursion was to provide knowledge about the maritime sector, career prospects and how Karachi Port Trust works to uplift the economy of Pakistan.

The then Chairman KPT Mr. Nadir Mumtaz Warraich and General Managers oriented the students about “Blue Economy” along with the functions of Port and strategic planning to expand its operation. After the orientation, a Q/A session with the Chairman along with General Managers ensued, in which the students discussed micro and macro level planning, operations, and projects to be initiated by the Government of Pakistan to increase international trade. To provide practical exposure students visited Hutchison Terminal (SAPT) and Pakistan International Container Terminal (PICT), where they met the operational experts working in centralized control room and handling cargoes using latest tools to manage the shipping traffic.

The students found this visit an excellent learning opportunity as it provided them an exposure of maritime sectors, its operations and a thorough knowledge of KPT activities.

Students of Karachi University visited KPT

The Prime Minister of Pakistan declared the year 2020 as the “Year of the Blue Economy". In pursuance to the Prime Minister’s vision, KPT is engaging with the academia Students of Mass Communication Department, University of Karachi, who visited KPT Head Office for familiarization with port operations on 25th February 2022.
